Press Release

Appliance Depot Inc. and J.R.'S Advanced Recyclers would like to recognize veterans for their service to our country and for our freedom for the second year in a row.

Appliance Depot and J.R.'S Advanced Recyclers recognizes our Veterans and their families for their bravery and sacrifices for our country.

Inver Grove Heights, MN November 7th, 2011 through November 12th 2011: Appliance Depot Inc. and J.R.'S Advanced Recyclers would like to announce it is proud to honor the men and women who bravely serve our country. To show our appreciation, Appliance Depot will provide them with a money saving opportunity to purchase new household appliances at our dealer cost. When purchasing an appliance on behalf of J.R.'s Advanced Recyclers they can also recycle their old appliances and electronics at no cost during this event. (limit of 5 appliances and 5 electronics.)

"I had a military family visit our store wanting to purchase some appliances three or four years ago and we began talking about his service in Iraq. The husband was being deployed to Iraq for his second tour later that week. I figured if I could help them by offering a discount, in some small way, maybe it would make things a little easier for them at such a difficult time. It felt great helping someone who has sacrificed so much for us. We then decided to do something on a larger scale and give all veterans and their spouses the opportunity to come in for the week of Veterans Day and get any of our new appliances at dealer cost. As well as recycle their old appliances or electronics at no cost to them."
