

*In honor of Veterans Day*

**Tues. November 10**

**Ceremony & Speaker  
Jon Hovde**

**1:00pm – FAC Theater**

Jon Hovde lost his life twice in Vietnam – on the battlefield when a medic couldn't get a pulse because his arm inside the sleeve of his uniform had been severed. Hovde's squad leader saw him move and he was rushed to a field hospital where his heart stopped and he was declared dead a second time.

Hovde survived and vowed to do three things: have the fastest car in Polk County, Minnesota,

not depend on the government, and make a difference with his life.

Come hear this veteran and motivational speaker who will inspire us with stories of how he's kept those three vows.
