

Your Facebook Votes in November Help Minneapolis Veterans Home Compete in Home Depot Challenge

The Home Depot Foundation has \$25,000 up for grabs - and a shot at the \$250,000 Grand Prize - to the deserving non-profit project that gets the most facebook votes this month. We made it through the first round with a great outdoor project where residents can now relax with family and friends. We need you, and all your family and friends, to join us in voting each day this month for our next great project - a log cabin theme interior retro-remodel from earlier decades that will help bring the past to the present for our growing number of residents with dementia.

We're competing against three other worthy projects in other states so we're getting this out today to all our family, friends, business associates and acquaintances to get behind us and vote for the Minnesota Veterans Home Project starting now and every new day in November. With state budgets tight, this is something we just couldn't do without the help of Home Depot - or you. Voting begins 8:00 a.m. Central Standard Time on the 1st of November and runs through 11:00 a.m. the 30th of November, 2011. Cast your vote at www.facebook.com/homedepotfoundation. The organization with the most votes will win the \$25,000 prize, and be in the running for the grand prize of \$250,000 at the end of the year-long program - so we'll be sending reminders. Each person can vote one time, per 24 hour period. Please, pass this important information on to ALL your friends and ask them to send it to ALL their friends.
